Newsletter **Spring Term 2022**

Dear Parents/Carers

Happy New Year to you all and a warm welcome to those families that have joined us this term.

Theme

The theme this term is 'Being Healthy'. This will include looking at our emotions, exercise, healthy eating, dental hygiene and people who help us to be healthy. The last week will be on New life and Easter. We hope to have people in who can talk about dental hygiene and exercise.

Water bottles and Lunch boxes.

Please could you remember to **NAME** these as children don't always know which is theirs, especially when they have more than one item and someone else has exactly the same one.

Please ensure that lunches are NUT FREE, this is very important as we have two children who have severe allergic reactions to nuts. This includes peanut butter, Nutella chocolate spread and some cereal bars.

Tapestry

If you have not signed up to Tapestry, please see Jenny if you should need a new registration link sent to your email.

Please also check your spam/junk folders as this may have gone to there. All permission forms and GDPR can be found under Documents. Please if you have not already downloaded these could you do so and either hand to a member of staff at the door or you can email them directly to Jenny at playbox.tapestry@stjohnsegham.com

Going forward this year and to reduce paper usage and our carbon footprint, Tapestry will be used for Nappy changes and accidents alongside observations.

You will receive a notification in your email regarding these. Newsletters will also be sent through using Tapestry.

Accident forms will still need to be signed for.

Key person

Your child will have a key person allocated to them and they will be your first port of call if you need any information on their progress or just need to chat with someone. If you need to contact your child's key person, please telephone to arrange a time for a meeting.

Clothing

Please remember to send your children in with a coat, gloves and hats when needed as we will be using the outside area when appropriate and the children need to stay warm. All coats, gloves and hats should be **NAMED**.

Covid-19

To keep us all safe please wear a mask in the foyer when dropping and collecting your children. Staff test twice a week but if a member of staff is positive others will test every day. If a member of staff is positive they will not be allowed back to work until they have two negative results as government guide lines state. We are doing all we can to keep everyone safe during these times.

_We are trying to save paper so notices will be placed on the website, on the tapestry account and also placed on the Notice Board in the foyer.
